

**Chennai Medical College Hospital and Research Centre (SRM Group)
Tiruchirapalli – 621 105**

Institutional Research Board

Expertise of the Faculty for Consultancy services

S. No.	Name	Designation and Department	Area of Research/ interest
1	Dr. A. Uma	Professor of Microbiology	Antibiotic resistance in gram negative bacteria
2	Dr. H. Geetha	Professor of Biochemistry	Oxidative stress and Air pollution
3	Dr. R. Pramila	Professor of Pathology	Refractive anemia
4	Dr. P. Thirumalai kolundusubramanian	Professor of Medicine	New drugs, Policies related to drug manufacturing, Social and safety aspects related to health, Emergencies and Toxicology
5	Mr. M. Ismail	Professor of Medical Entomology and Research	Medical Entomology, Vector control, Epidemiology and Toxicology
6	Dr. S. Sivaraman	Associate Professor of Psychiatry	Job stress
7	Dr. K. Hemalatha	Associate Professor of Community Medicine	Pollution and health hazards
8	Dr. N. Prabhusaran	Associate Professor of Microbiology and Research	Medical Microbiology, Biomedical Nanotechnology, Infection control, Drug synthesis & characterization, Healthcare management
9	Dr. A. Sundhararajan	Assistant Professor of Biochemistry & Research	Medical Biochemistry, Newer drug molecules from herbs
10	Dr. M. Rajajeyakumar	Assistant Professor of Physiology	Medical Physiology (neurophysiology), Biomedical Engineering and Yoga
11	Dr. L. Manivannan	Head, Physical Education	Sports injuries and Yoga
12	Dr. A. Anupriya	Assistant Professor of Microbiology	Bacterial infections and serovirology; Autoimmune disorders
13	Dr. K. Kanagasanthosh	Assistant Professor of Pharmacology	Pharmacovigilance, Herbal drugs and its effectiveness
14	Dr. B. Rock Britto	Assistant Professor of Community Medicine	Community Health, geriatric care and management
15	Dr. K. Sridhar	Consultant Gastroenterologist	Gastrointestinal diseases and infections
16	Dr. K. Balaji	Assistant Professor of Biochemistry	Endocrine disorders and molecular biology
17	Mr. B. Sasikumar	Chief Librarian	Communication system and recent innovation in Libraries; New development for academic research media and library networking and Information and communication in modern library
