

Ongoing Projects (As on 22.10.2018)

S. No	Name of Faculty/ Student	Research Topics
1	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Knowledge and skills of residents on medical devices – Questionnaire survey
2	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Expenditure during undergraduate medical education – Questionnaire survey
3	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Competency of CRRIs – Questionnaire survey
4	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Professionalism among residents – Questionnaire survey
5	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Thyroid status among young women
6	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Self medication among medical students
7	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Analaysis of in patients leaving the hospital against medical advice (AMA)
8	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Analysis of causes of death
9	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Profile of medicolegal of a teaching hospital
10	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Television watching among children
11	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Selfi related injuries
12	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Platelet-lymphocyte ratio in acute myocardial infection
13	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Medical emergencies related cosmetology procedures
14	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Yawning and circadian rhythm
15	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Yawning and menstrual cycle
16	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Blood pressure profiles among the young
17	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Obesity among the young
18	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Community concepts of Blood pressure
19	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Epidemiology of emergency medicine in tertiary care Private hospital .
20	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Epidemiology of drug induced acute kidney injury.
21	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	An investigation on competence of despeckling techniques in the advancement of diagnostic accuracy of ultrasound imaging modalities.
22	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Questionnaire survey on Hypertension among patients and practitioners

23	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Pattern of cases attending tertiary referral institutions: multicentre study
24	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	KABP on anti-ragging among students and faculty of medical, engineering, law, and arts & sciences
25	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Analysis of MLC cases attending CMCHRC.
26	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Association of swallowing following yawning- An observational study.
27	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Ultrasonographic studies on HIP dysplasia.
28	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Ultrasonographic studies of mukuloskeletal lesion.
29	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Association of swallowing following yawning- An observational study.
30	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Ultrasonographic studies on HIP dysplasia.
31	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Ultrasonographic studies of mukuloskeletal lesion.
32	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Awareness on Antiragging aspects among college students.
33	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Status of Research in Health science Institutions.
34	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Association of swallowing following yawning –An observational study
35	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Ultrasonographic Studies on HIP dysplasia.
36	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Ultrasonographic Studies of musculoskeletal lesions.
37	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Awareness of Antiragging aspects among college teachers and students.
38	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Status of Research in Health Science institutions.
39	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Occurrence of errors in medical practice and disclosure: a questionnaire study
40	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Age of menarche among girls and women
41	Dr. P. Thirumalaikolundusubramanian. Professor of Medicine	Professional and ethical issues related to urinary catheterisation
42	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	ECHO Cardiography among those with pulmonary tuberculosis
43	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Informed consent: how much are the patients informed about?
44	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Hounsfield unit and Urolithiasis
45	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Status of infants born of Diabetes Mothers.
46	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Yawning among pregnant women Normal Vs IVF

47	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Yawning among Twins
48	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Yawning –Critical Cases.
49	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Informed consent: how much are the patients informed about?
50	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Hounsfield unit and Urolithiasis
51	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Clinical and laboratory aspects of Ant bite.
52	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Dream among Pregnant Women
53	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Dream among those with metabolic disorders.
54	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Use of Over the Counter Medication: What and Why.
55	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Questionnaire survey on Measles among girl students
56	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Religion, Health and illness : KABP among the community and religious leaders.
57	Dr. P. Thirumalaikolundusubramanian, Professor of Medicine	Awareness of Notifiable diseases Among student of Health Sciences Nurses & Doctors
58	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Professional and ethical issues related to urinary catheterisation
59	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Cost of care of snake bite
60	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Occurrence of errors in medical practice and disclosure: a questionnaire study
61	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Age of menarche among girls and women
62	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Prevalence and pattern of use of video games among college students
63	Dr. P. Thirumalaikolundusubramanian Professor of Medicine	Foot reflexology on post operative pain and discomfort among caesarean mothers
