

TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE  
IRUNGALUR, TRICHY - 621 105

The Institution has a e-Library with Membership/Registration for the following:

1. e-journals/e-books consortia	-	<input type="text" value="YES"/>
2. E-shodhSindhu	-	<input type="text" value="YES"/>
3. Shodhganga	-	<input type="text" value="YES"/>
4. Swayam	-	<input type="text" value="YES"/>
5. Discipline-specific Databases	-	<input type="text" value="YES-DELNET DATABASE"/>

**OTHERS**

6. NATIONAL DIGITAL LIBRARY OF INDIA	<input type="text" value="YES"/>
--------------------------------------	----------------------------------

**Details of Memberships/Subscriptions with validity period:**

1.T.N. Dr. MGR Medical University E-Consortium- 750 online Journals in various medical disciplines -validity period is from 04.10.2019 to 03.10.2020 -Subscription Rs.2,36,000-/- (Two Lakhs and Thirty six thousands Rupees Only )-  
<http://ermed.tnmgrmu.ac.in/tmgr/SingleSignOn/login.aspx>

2.DELNET validity period is from 14.12.2019 TO 13.12.2020 - Subscription Rs.13,570-/- (Thirteen thousands Five hundreds & Seventy Rupees only) -[www.delnet.nic.in](http://www.delnet.nic.in)

**E-JOURNALS/E-BOOKS CONSORTIA:**

<http://ermed.tnmgrmu.ac.in/tmgr/SingleSignOn/login.aspx>

We have a membership of T.N. Dr. MGR Medical University E-Consortium.Our students can access the e-resources through e-Consortium of the University anywhere 24x7x365 days, by using their Username and Password, through the software "EZPROXY".

It consists of Full-texts and Bibliographic Databases, also known as **e-journals**. Electronic serials are scholarly journals & intellectual magazines, that can be accessed, via electronic transmission.

The major goal of the Library CONSORTIA is to provide interactive information services to the faculties and students. Accessing information, resources and services, through one unified portal, would help the affiliated INSTITUTION's LIBRARY. This is to eliminate the overlap, duplication of resources and efforts, which would facilitate, optimum methods, for effectively and efficiently using the allocated resources.

The e-Consortium provides access to more number of electronic resources at a substantially lower cost, thus sharing the e-resources, enabling improved quality of services, by enhancing their collection and increasing access to their faculties and students.

**E-SHODH SINDHU - (<https://www.inflibnet.ac.in/ess>):**

We are a Registered MEMBER of **E-SHODH SINDHU** from MHRD, free of cost-UGC-INFONET Digital Library Consortium, NLIST and INDEST-AICTE Consortium is also free of cost. The e-ShodhSindhu is to provide current as well as archival access to more than 15,000 crore and peer-reviewed journals and a number of bibliographic, citation and factual databases in different disciplines, from a large number of publishers and aggregators, to its member INSTITUTIONS, including centrally-funded technical INSTITUTIONS. Develop a formidable collection of e-journals, e-journal archives and e-books on perpetual access basis. Access to subscription-based scholarly information (e-books and e-journals) to all educational INSTITUTIONS.

**SHODHGANGA : <https://shodhganga.inflibnet.ac.in/>**

We are a Registered MEMBER of **Shodhganga** from UGC, free of cost. Thesis and Dissertations are known to be rich and unique source of information, often the only source of research work that does not find its way into various publication channels.

They remain an un-tapped and under-utilized asset, leading to unnecessary duplication and repetition that causes wastage of huge resources, both human and financial.

It provides a platform for research students to deposit their Ph.D. thesis and make it available to the entire scholarly community, in open access.

The UGC Notification (Minimum Standards & Procedure for Award of M.Phil. / Ph.D Degree, Regulation, 2009) dated 1st June 2009 mandates submission of electronic version of thesis and dissertations by the researchers in Universities, with an aim to facilitate open access to Indian thesis and dissertations to the academic community world-wide. Online availability of electronic thesis through centrally-maintained digital repositories, not only ensure easy access and archiving of Indian doctoral thesis, but will also help in raising the standard and quality of research.

**SWAYAM-** <https://swayam.gov.in/> platform is developed by Ministry of Human Resource Development (MHRD) and NPTEL, IIT Madras with the help of Google Inc. and Persistent Systems Ltd. It would be ultimately be capable of hosting 2000 courses and 80000 hours of learning, covering schools, under-graduate, post-graduate, engineering, law and other professional courses.

We are a Registered MEMBER of **SWAYAM** database and also a MEMBER of a (Study Webs of Active-Learning for Young Aspiring Minds) - a program initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students, who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. This is done through an indigenous developed IT platform, that facilitates hosting of all the courses taught in classrooms, to be accessed by anyone, anywhere, at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to the residents in India.

## Discipline-specific Databases - DELNET DATABASE: [www.delnet.nic.in](http://www.delnet.nic.in)

We have subscribed to DELNET library database from 2018 onwards. DELNET connects more than 6700 Libraries in 33 states and Union territories in India and other countries. It is a major operational resource sharing Library network in SOUTH INDIA.

It provides access to more than 3 crore records of Books, E-journals, E-books etc. It offers free library automation software to MEMBER Libraries. It provides

Inter Library loan and Document Deliver Services to member INSTITUTIONS.

This database helps the library digitalization

- a. To improve communication for Inter - library services
- b. To adopt safety measures in their library services.
- c. To get to know RFID, CCTV Biometric techniques in the routine library activities
- d. To familiarize on security in digital library system
- e. A new discovery portal for its library online services.

## NATIONAL DIGITAL LIBRARY OF INDIA- NDL ( <https://ndl.iitkgp.ac.in/>)

We are a Registered MEMBER of NATIONAL DIGITAL LIBRARY OF INDIA (NDL). It is sponsored by MHRD and coordinated by IIT Kharagpur. Under its National Mission on Education , through Information and Communication Technology, has initiated the National Digital Library of India (NDL India) pilot project to develop a framework of virtual repository of learning resources with a single-window search facility. Filtered and federated searching is employed to facilitate focused searching, so that learners can find out the right resource with least effort and in minimum time.

NDL India is designed to hold content of any language and provides interface support for leading vernacular languages. It is being arranged to provide support for all academic levels including researchers, life-long learners and differently-abled learners in all disciplines, all popular form of access devices. It helps students to prepare for entrance and competitive examinations, to enable people to learn and prepare from best practices, from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources.

## **Features of NDL.**

- **NDL gives free access to NDL 3,82,00,000 books & periodicals.**
- **It can be red on Smart phone, Computer or Tablet.**
- A single window search facility to ever-growing digital content repository.
- Different ways to browse content repository, content type, source, subject and learning resource type.
- Filtering result of search and browse with facet based refinement options.
- Contents relevant for different levels of users.
- Contents available for different subject domains: Medicine, Technology, Arts, Humanities, Social Sciences, Natural Science etc.
