

**DEPARTMENT OF COMMUNITY MEDICINE,  
TRICHY SRM MEDICAL COLLEGE HOSPITAL & RESEARCH  
CENTRE**

**General Camp at Ramanathapuram  
Organized by Rural Health Training Centre (RHTC), Sangenthi**

On 24<sup>th</sup> May 2019, a General Camp was organized at a Government School at Ramanathapuram . Time : 10.00 am to 1.30 pm.

**Treatment of morbidities**

A total of 140 individuals of all age groups benefitted from the Camp. Common morbidity reported were Myalgia, Anaemia, Respiratory illness, Diabetes and hypertension. Free essential Drugs were also dispensed at the Camp on need basis. The Health Team comprised of a Medical Officer, Interns and Field Staffs of RHTC, Sangenthi.

**1. Referral**

Of the 140 patients attended, 16 were referred to our College Hospital for further investigation and specialty treatment.

**2. Screening for Non-Communicable Diseases (Diabetes, Hypertension, Obesity)**

Apart from treating people for their ailments, Screening for Hypertension and Diabetes was done for those aged more than 30 years.

Anthropometric assessment was also done to classify the nutritional status of the individual and diet counselling was given.

**Medical Officer and Interns taking history and examining patients at the camp**
