ANNUAL REPORT OF THE IQAC (2015-2016)

The Internal Quality assurance cell was established in the month of June 2015. Dr. G. S. Anandhamala, Professor, CSE Department was appointed as the Principal Coordinator for the IQAC committee. The Head of the Institution constituted the committee members as per the guidelines of the NAAC.

In the first meeting of the IQAC held in the month of June 2015, the functions and activities of the committee was discussed. The inspection report of the NAAC visit was placed before the committee. The various points cited by the committee were deliberated in detail.

Based on the suggestions made during the meeting and the actions taken upon the following outcomes were observed during the academic year.

- The number of alumni activities increased. More students were invited and asked to motivate the students by conducting mock interviews, special talk during campus placement and creating awareness about job opportunities.
- To improve the research activity among the staff and students, Research advisory board and research committee have been formed. Eminent professors were invited and seminar talk was given on how to write research paper and to write project proposals.
- The number of research proposals sent to different research funding agencies has increased.
- The number of faculty registering for Ph.D has increased from 54 to 61.
- The industry Institute Interaction cell has been strengthened and many companies were invited for placement drives. The number of core companies visiting college for placement has increased.
- The concept of task force was introduced to motivate the slow learners and perform better in their academics. All the faculty were asked to take new pedagogical initiatives to improve the teaching learning process.
- The application for NBA accreditation for all the departments was submitted.
