

EASWARI ENGINEERING COLLEGE

Bharathi Salai, Ramapuram, Chennai 600 089.

Department of Chemistry

National Seminar on Recent Challenges in Environment

(NSRCE – 2018)

20.03.2018

REGISTRATION FORM

1. Name :
2. Designation :
3. Organization :
4. Qualification / Specialization :
5. Address for Communication :
6. Telephone No. :
7. Mobile No. :
8. E - mail ID. :

Registration Fee details :

DD No.: Date:

Amount Rs.: Bank:

Place :

Applicant's Signature

(Xerox copies may be used)

Registration Details

The seminar is open to the faculty of Academic Institutions, UG / PG / Research Scholars and Professionals from Industry.

The Registration fee for Faculty members / Industry / Ph.D. Research Scholars is **Rs. 250/-**

The Registration fee for M. Phil Scholars / M.Sc students is **Rs. 150/-**

Participants can take photo copy of the format given if needed or it can be downloaded from our college website.

The registration fee should be paid only in the form of Demand Draft in favour of

"Easwari Engineering College" payable at Chennai along with the registration form.

Last date for receipt of registration form along with the DD by post is 17th March 2018.

Delegates can avail the transport facilities of the college. For details, visit our college website <http://www.srmeaswari.ac.in>

Organizing Committee

Mrs.R. Anitha devi, Associate professor

Mrs. V. Vanitha, Associate professor

Dr. CS . Jone Selvamalar, Associate professor

Dr. S. Dhandauythapani, Assistant professor

Dr. N.S. Karthikeyan, Associate professor

Address for Communication

EASWARI ENGINEERING COLLEGE

(A Unit of SRM Group of Educational Institutions)

Bharathi Salai, Ramapuram, Chennai-600 089

Approved by Govt. of Tamil Nadu and AICTE,

Accredited by NBA, NAAC, ISO Certified and Affiliated to Anna University, Chennai

National Seminar on Recent Challenges in Environment (NSRCE – 2018)

20th March 2018

Convener

Dr. C. Ravichandran
Professor and Head

Department of Chemistry

Coordinators

Mrs. AR. Anusa, Associate professor

Dr. K. Saravanan, Associate Professor

Organised by :

Department of Chemistry

ABOUT THE COLLEGE

EASWARI ENGINEERING COLLEGE (EEC), a unit of SRM Group of Educational Institutions for higher learning is functioning under the aegis of "Valliammai Society". The society was founded in the year 1975 for promoting the cause of Quality Education by Dr.T.R.Pachamuthu, an Academician and Educationist. EEC is headed by Dr.R.Shivakumar, M.D, Ph.D. Chairman, SRM Group of Institutions, Ramapuram & Trichy Campuse. EEC was instituted in the academic year 1996-1997, with the Approval of AICTE, New Delhi. The college is affiliated to Anna University since 2002. The courses have been accredited by NBA/AICTE and are periodically reviewed. The Institute is approved by AICTE accredited by NAAC at 'A' grade.

The college offers eight under graduate programmes, six post graduate programmes and seven Research Nodal centers under Anna University covering 'Engineering & Technology'. The college has a strong industry - Interaction with reputed National and International organizations. The college has obtained ISO 9001: 2008 certification from TUV South Asia. Easwari Engineering college is a DST-FIST sponsored Institution.

The Institute is spread over a wide area with modern laboratories and Infrastructure with well qualified staff members.

ABOUT THE DEPARTMENT

The Department consists of Nine experienced faculty members of which six are Doctorates. Three faculty members are pursuing Ph.D. The Department has two Professors, six Associate Professors and one Assistant Professor.

Our laboratories are well equipped with all equipment to cater to the needs of the students and to do the research work. Our lab has been recognised as a nodal centre for research work by Anna University, Chennai.

Our faculty members have published a good number of papers in reputed National and International Journals. The Department organises National Conference, Science Exhibition, Guest Lectures & National seminar. "Chem Star" objective type talent exam is conducted for students every year and also releases "Chem Flash" newsletter every three months. Department has two funded projects from various funding agencies like DST-SERB and AERB.

ABOUT THE SEMINAR

Environmental science is an interdisciplinary academic field that integrates physical, biological and information sciences (including ecology, biology, physics, chemistry, plant science, zoology, mineralogy, oceanology, limnology, soil science, geology, and atmospheric science) to the study of the environment and the solution of environmental problems.

Environmental science emerged from the fields of natural history and medicine. It provides an integrated, quantitative and interdisciplinary approach to the study of environmental systems.

Environmental studies incorporates more of the social sciences for understanding human relationships, perceptions and policies towards the environment. Environmental engineering focuses on design and technology for improving environmental quality in every aspects.

Scientists work on subjects like the understanding of earth processes, evaluating alternative energy systems, pollution control and mitigation, natural resource management, and the effects of global climate change. Environmental issues almost always include an interaction of physical, chemical, and biological processes.

Now-a-days Environmental scientists bring a systems approach to the analysis of environmental problems. The aim of this seminar is to bring the environmental experts to share their knowledge about the need for a multi-disciplinary approach to analyze complex environmental problems and the need of growing public awareness for protecting the environment.
