ABOUT THE COLLEGE

Easwari Engineering College, a unit of SRM Group of Educational Institutions for higher learning is functioning under "Valliammai Society". The society was founded in the year 1975, for promoting the cause of Quality Education, by Thiru T.R.Paarivendhar, an Academician and Educationist. EEC was established in the academic year 1996. The college is affiliated to Anna University Chennai, since 2002, accredited by NAAC and approved by AICTE, New Delhi.

The college offers eight Under Graduate and six Post Graduate Programs covering Engineering & Technology and Management. Most of the courses are accredited by NBA. The college has a strong Industry Interaction with reputed National and International organizations. The College has obtained ISO 9001:2015 Certification from TUV South Asia.

ABOUT THE DEPARTMENT

In order to meet the wide range of challenging and very rapidly growing global demands for professional, the Department of Electronics and Communication Engineering was established at the inception of the college in the year 1996. The department offers two P.G. courses M.E. Communication Systems and M.E. Embedded System Technologies. The department has secured permanent affiliation from Anna University and is accredited by NBA. The Department is recognized as a Research Center for Ph.D. / M.S (by research) by Anna University, Chennai. The Research work is being carried out in the areas like Signal and Image Processing, Wireless Communication, VLSI Design, Embedded Systems, and Underwater Communication.

OBJECTIVE

The objective of the seminar is to provide much deeper insights into the most exciting technology of Energy harvesting antenna for satellite applications. This seminar will include sessions focused on technologies and applications with the intent to foster the exchange of knowledge and ideas. It gives an opportunity for participants from academic institutions to get acquainted with design, simulation, fabrication and measurement of Energy harvesting antenna for Satellite applications. The course will also cover an introduction and exposure to ANSYS HFSS Software.

TARGET AUDIENCE

Faculty members working in Engineering and Polytechnic Colleges, Research scholars, UG & PG Students, Industry Persons in the relevant background of Sciences and Engineering can participate in this seminar.
