

EASWARI ENGINEERING COLLEGE
DEPARTMENT OF CIVIL ENGINEERING
REPORT ON ONE DAY SEMINAR ON IMPORTANCE OF MEP ENGINEERING
COORDINATION IN INDUSTRY

VENUE: TRP AUDITORIUM

DATE: 20-02-2018

One day seminar on importance of MEP Engineering coordination in Industry has been organized by the Department of Civil Engineering at High tech hall on 20th February 2018 for the Third and Final Year Students of Civil and Mechanical Engineering. In this seminar, importance of MEP Engineering and job opportunities in this field has been conveyed in an interactive way to the students by Dr.S.Virapan, Professor, Department of civil engineering, Easwari Engineering College and IPA (Indian Plumbing Association) team.

He also encouraged the students to be an entrepreneur in future and created a motivation on the current job opportunities in the field of civil and mechanical engineering. He also advised the students to become a member of Indian Plumbing Association. The session came to an end with vote of thanks.
