## **TECHNICAL QUIZ - BY IE & ICI STUDENTS' CHAPTERS**

The IE(I) & ICI Students' Chapters, Civil Department, Easwari Engineering college has conducted a **TECHNICAL QUIZ** on 30/01/2017 at 3:45 PM. The quiz competition was conducted for II & III years based on General Knowledge (Related to civil engineering) and their technical knowledge. There were 8 teams, each team consisting of 3 members.

A set of challenging questions were prepared and a tough competition were made among the teams of the II & III year Civil Engineering Students. This event helped the students to enrich their knowledge.

The quiz questions were divided into three rounds – General Knowledge, Picture Questions and Department Oriented Questions. Following this, there was a final round named ‘Guess the personality’ which took place between two of the leading teams. The panel members for judgment *Dr.Neelamegam*, IE Coordinator presided over the event. The marks were awarded at the end of each round and 2 teams were eliminated at end of every round. At the end of last round the first place was announced.

All the students took part in this event with great enthusiasm and found the event to be very useful. Thus, the event turned out to be a great success and the students are looking forward for more events like this in the upcoming years.

## **CODE CRACKING COMPETITION – CODEX BY IE & ICI STUDENTS' CHAPTERS**

The IE(I) & ICI Students' Chapter, Civil Department, Easwari Engineering College has conducted **CODEX** a code cracking competition on 14/02/2017 at 4:00 PM. The competition was conducted for III years for IS 456:2000 and IS 800:2007 codes. There were eight teams participating in this event.

The welcome address was delivered by Mr.S.Ramakrishna the on behalf of IE(I) Students' Chapter. The event had two rounds and each round had questions from both codebooks. Each question was displayed for 30 seconds, the first round had 24 questions, and final round had 10 questions.

Four teams were selected for the final round based on the marks from the first round. The team that got highest score in the final round was declared as the winner.

All the III year students took part in this event with great enthusiasm and found the event to be very useful. Finally, the vote of thanks was delivered by Mr.J.Jayaprakash with the certificate distribution for winners.

1.Question being asked in the event, 2. Participants answering the questions

## INDUSTRIAL VISIT – CMRL

The students of B.E., CIVIL ENGINEERING, III year from Easwari Engineering college went for an industrial visit to sewage treatment plant, on 16.02.2017 & 17.02.2017 located at Nesapakkam and Koyambedu, Chennai under the supervision of Mrs.Amala, Mr.Anand, Mrs.Hemamalini, Mr.Arunraj, Assistant Professors, Civil Dept – EEC.

On that day, the students are split up in to two batches of students, first batch visited Nesapakkam STP and Second batch visited Koyambedu STP. Then key points about safety measures should be followed inside Sewage Treatment Plant were explained. Thereby the step by step Process undergoing in Water Treatment plants were learnt by the students.

The students got clear idea about the Sedimentation, segregation and purification of Sewage water and know about practical draw backs in process, how to rectify and overcome that

“The students visiting different treatment process in sewage treatment plant located at Nesapakkam and Koyambedu”

## TECHNICAL DEBATE

The IE(I) & ICI Students' Chapter, Civil Department, Easwari Engineering College has conducted a **TECHNICAL DEBATE** on 28/02/2017 at 4:00 PM. The competition was conducted for II & III years on the topics "STEEL vs CONCRETE" and "PRECAST vs INSITU". There were four teams participating in this event.

The welcome address was delivered by Mr.P.Gopi Krishnan on behalf of IE(I) Students' Chapter. The participants for each topic were assembled on the stage for expressing their views.

The teams were split in such a way that the 2<sup>nd</sup> years were participating among themselves, one speaking in favor of PRECAST, while the other speaking in favor of INSITU. The 3<sup>rd</sup> years were participating in the second round, and one team was speaking in favor of STEEL, while the other team was speaking in favor of CONCRETE

After the debate, the judge, Dr. Neelamegam, gave his opinion about the debate which was useful for the team members in expanding their knowledge. Finally, Mr.S.Ramakrishna delivered the vote of thanks with the certificate distribution for winners.
