

## **S.Anand**

Associate Professor

### **Contact Information**

Official No. : 044-43923048

Personal No.: 9445298337

### **Educational Quaification**

**M.E. –Industrial Metallurgy**

### **In Easwari**

Since 21<sup>st</sup> December 2011

### **Professional Experience**

He has 11 years of industrial experience in handling quality department.

He has 10 years of teaching experience in handling undergraduate and postgraduate students.

He has excellent hands of experience in industry through which he guides the students.

He has been involved in department and college level administration process.

Member in ISTE, NIQR.

### **Research Interest**

Material sciences, casting process control, quality concepts.

### **Recent Publications**

1. Investigation On Wear Resistance of Varying Load of Particulate Lignite Fly ash Reinforced Aluminium Alloy 6063 Composites-IJETAE
2. Routing Optimization of Third Party Logistics Operations Using Greedy Search Approach-SAP
3. Greedy Search and Genetic algorithm - Combined approach in 3PL Optimization-ICADABAI14
4. Investiigation on Synthesis, Characterization and Mechanical Properties of Lignite Fly ash Reinforced Aluminium Alloy 6063 of Different Volume Ratio-AIMTDR12
