

ARIME COMMITTEE

CHIEF PATRONS

Dr. R. Shiva Kumar, Chairman
Ramapuram campus

PATRON

Dr. R.S. Kumar
Professor & Principal,
Easwari Engineering College

CONVENORS

Dr. M. Vetrivel Sezhian
Professor & Head,
Dept. of Mechanical Engineering

Dr. V. Elango

Professor & Vice-Principal,
Easwari Engineering College

CO- ORDINATORS

Dr. R. Ravivarman, Asst. Prof
Mr. R. Jeremiah, Asst. Prof
Mr. K. Thavasilingam, Asst. Prof

ADVISORY COMMITTEE

Dr. V. Antony Aroul Raj, Professor
Dr. R. Ramadoss, Professor

ARIME 2020

8th National Conference on
Advancement and Recent Innovations in Mechanical Engineering

Research Conference

This Eighth edition of Advancement and Recent Innovations in Mechanical Engineering (ARIME) conference is focused on the theme of Waste Management Technologies. The major contribution towards waste management is from the design, thermal and manufacturing activities. Innovation considered to be crucial should be properly natured, delivered, protected and shared. In this scenario, to showcase the achievements and innovations keynote addresses from eminent personalities in the field of design, thermal and manufacturing participate in the high quality research conference. The conference is meant to discuss the state-of-the-art developments, challenges and unsolved open problems in the fields of design, manufacturing and thermal engineering. It will also provide a podium to students, scientists, faculty members and research professionals to interact, present and get reflections on their work. The ARIME conferences continue to be a platform for intensive networking and fruitful interaction wherein the technocrats, academicians, researchers, practicing engineers, entrepreneurs, corporate executives, industrialists, start-up professionals, and budding engineers exchange their ideas and share their experiences.

Registration

Category	Fee
Research Students	Rs. 500
Academia & Industry	Rs. 750

The above fee includes attendance for all technical sessions and refreshment. Crossed Demand Draft / Banker's Cheque for the full amount drawn in favour of 'Easwari Engineering College' payable at Chennai.

- ◆ Waste Management Technologies
- ◆ Sustainable Technologies
- ◆ Advanced Machining Technology
- ◆ Manufacturing Automation
- ◆ Micro and Nano Manufacturing
- ◆ World Class Manufacturing
- ◆ Metrology and Quality Control
- ◆ Additive Manufacturing
- ◆ Optimization and Modeling
- ◆ Sustainable Thermal Design
- ◆ Industry 4.0
- ◆ Surface Engineering
- ◆ MEMS
- ◆ FEA/CFD Techniques

Participants from academia, R&D organizations and industries are invited to submit original and unpublished full research papers in IEEE formats (Maximum of 6 pages, double column) on the topics given above but not limited to. At least one author of the accepted paper has to register and present the paper. The industry participants are also invited to submit short case studies (2-4 pages, double column) on their R&D activities that will be of immense benefit to the researchers and manufacturers. Selected papers will also be considered for publication in Journals of International repute after further peer review with additional charges. There will be best paper awards in different categories.

IMPORTANT DATES

Submission of Abstracts: 20th Feb, 2020
Intimation of acceptance: 25th Feb, 2020
