REPORT ON NATIONAL LEVEL TECHNICAL SYMPOSIUM SPANGLES'18

Spangles 2k18, a National Level Technical Symposium which was held on February 22nd 2018. This fest would have not being successful without the support of our respected Chairman, Director, Deputy director, Principal, Vice Principal and esteemed sponsors. Lakshmi Vilas Bank and Britannia were the title sponsors. The symposium was inaugurated at 9.30 am with esteemed presence of respected Principal, Vice Principal, HOD EEE and our honorable Chief guest Mr.V.Rajashekar (AGM, Quality, Schneider Electric Pvt.Ltd.). The event was preceded by student president by delivering the annual report 2017. Respected Principal and Vice principal addressed the gathering with motivating and encouraging words. The Chief Guest addressed the gathering and delivered a brief note about his experience in the electrical field for the past twenty years. He also gave fruitful tips to face the interviews and the need of current corporate. Following the dignitaries address, the department toppers were awarded with certificates and mementos. Following this spangles'18 department magazine was released. The technical and non technical events took part in the respected venues from 10.30am to 3.30pm. After that all the prize winners were honored and the event was concluded by delivering vote of thanks by the Faculty Coordinator.
