

ABOUT THE COLLEGE

EASWARI ENGINEERING COLLEGE (EEC), a division of SRM Group of Educational Institutions for higher learning is functioning under the aegis of "Valliammai Society". The society was found in the year 1975, for promoting the cause of Quality Education, by Dr.T.R.Pachamuthu, an Academician and Educationalist. EEC was instituted in the academic year 1996-1997, with the approval of All India Council for Technical Education (AICTE), New Delhi. The college is affiliated to Anna University, since 2002. The courses have been accredited by National Board of Accreditation (NBA)/AICTE and National Assessment and Accreditation Council (NAAC). The college offers eight Under-Graduate Programmes, eleven Post Graduate Programmes and seven Research Nodal Centers under Anna University covering 'Engineering & Technology', 'Computer Applications' and 'Management'. The college has a strong Industry-Interaction with reputed National and International organisations. The college has obtained ISO 9001 : 2008 Certification from TUV South Asia.

ABOUT THE DEPARTMENT

In order to meet the wide range of challenging and very rapidly growing global demands for professional, the Department of "Electronics and Communication Engineering" was established since inception of the college in the year 1996. The department has been sanctioned with three P.G. courses namely M.E. VLSI Design, M.E. Communication Systems, M.E. Embedded System Technologies. The department has secured permanent affiliation from Anna University and is accredited by NBA. In pursuit of excellence, the department is recognised as nodal center by Anna University to pursue Ph.D. in the areas relevant to Electronics and Communication.

ABOUT THE CONFERENCE

The primary goal of the conference is to offer an excellent opportunity and platform for proactive interactions among

professionals, researchers and industrialists to share their knowledge and ideas for achieving focused developments in the field of engineering. This conference will help participants to redefine their horizons in recent innovations through technical paper presentations and panel discussions.

PARTICIPANTS

Academicians, Research scholars and UG/PG students in and around the country are invited to participate in the conference.

CALL FOR PAPERS

Authors are invited to submit their original contributions on the following areas:

- Industrial Automation
- IOT Based Smart Sensor and Networks
- Network Security
- Wireless Networking
- VLSI Signal Processing
- Bio Signal Applications
- Next Generation Networks
- Image and Signal Processing
- VLSI Physical Design and Automation
- Embedded Systems, SoC, NoC, MEMS
- Analog /Digital/Mixed Signal Circuits
- Cloud Computing & Mobile Computing
- Social Networking and IP Communication

CHIEF PATRONS

1. **Dr. T. R. Pachamuthu**, Founder Chairman, SRM Group of Institutions
2. **Dr. R. Shiva Kumar**, Chairman, Ramapuram & Trichy Campus

CO-PATRONS
