CHENNAI

FACULTY DEVELOPMENT PROGRAM

SESSION – 5

Session of Faculty development programme (FDP) was headed by Mr. Stalin Antony, Department of Visual Communication on 04/09/2015 about **Concepts of Photography**.

The session was about the general Photography and its techniques. The program was followed by the topics like,

- Details of Photography,
- Usage of Lens,
- Types of Photography,
- Types of Lens and Camera

There was some discussion about the usage of lens in the camera which includes Aperture, ISO and Shutter Speed. He told about the 27 types of Photography, 188 types of Camera.

The main query from the staff members was about the DSLR Camera - **How to take Photos using DSLR?** He started with the expansion of DSLR – Digital Single Lens Camera and the lens which can be inserted in the camera. The vital point which shared was removing & inserting of lens and also he gave some tips for cleaning the lens using the oil and hot water.

The session was very interactive with so many questions from the staff members like,

How the each type of Photography differs?

How Underwater Photography is possible?

Why lighting is more important for the photo?

Discussion about the Photography technologies used in 1970's and Now.

The session concluded with the formal thanks who have attended the programme.
