The **ISHRAE** student chapter of Easwari Engineering College organized an awareness programme for the Students of **Rajalakshmi Vidyashram Higher Secondary School**, Ramapuram on 23<sup>rd</sup> January 2020. The event was started with the invocation song, 125 Students from 5<sup>th</sup> to 8<sup>th</sup> grade were participated in the event. The entire event was broadly divided into technical talks, quiz program, entertainment events and planting of saplings.

The talk was given by **Dr. Antony Arul Raj**, Professor & Research coordinator, Easwari Engineering College along with **Dr. Ajith** Associate Professor, **Mr. Dillibabu** Assistant Professor and **Mr. Raju** Assistant Professor. The speech was about the opportunities available for the students to develop their carrier. He extended his talk with current issues faced by our society and encouraged the students to come up with their idea for future enrichment. His speech equipped the students with a lot of knowledge in current trends.

The event was further continued with Quiz program and ISHRAE members entertained the school students with musical instruments, prizes were distributed to the winners.

The event was concluded by planting saplings in the school campus and vote of thanks was given by Dr. Ajith. The session proved to be useful for the school students and created a great awareness among them.
