(Ph:9790821824, email: gnanavelc7@gmail.com)

Topic : **Agile and Devops**

No.of Students participated : 100 (IV IT A&B)

Dr.V.Vani Asso.Prof /IT , introduced about the Resource Person and the session was handed over to **Mr.C.Gnanavel**, for a guest lecture on "Agile and Devops". **Mr.C.M.Siva Prasath** gave a brief presentation about the process involved in **software development phase**.. After the session Mrs.B.Chandra, Assistant Professor, gave a memento to the resource person.

Primary Discussion Topics:

The speaker, first, delivered the general overview of the session and then explained about

- Introduction to software development
- DevOps Key Concepts
- Delivery Pipeline
- DevOps Team Models
- Agile Processes
- Evolving DevOps in the Enterprise

The speaker motivated students regarding placement related preparations. The session was very interactive where the students posted some queries and the guest speaker clarified their doubts.
