Once again we welcome all of you this evening for a special occasion for our colourful Annual Day.

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

### **Training Programmes of Teachers**

Many of the teachers have been sent for different training programmes like Gender Sensitivity, Value Education , Life Skills, Health and Physical Education, Class room Management, Educational leadership programme and Core Subject related programmes in order to build up on skills and competencies to effectively transact challenging content areas. Workshops and In house training programmes are conducted round the year.

MDA (Madras Dyslexia Association) has provided intensive training to teachers of our school to become special educators to help children with learning difficulties in the areas of identification, assessment and remediation techniques to overcome the learning difficulties. The school has also set up a resource room to address to the needs of learners.
