```

graph LR
    A[DEFINE REQUIREMENT  
Study and understand the design brief] --> B[RESEARCH  
Do your homework & collate information]
    B --> C[BRAINSTORM & IDEATE  
Discuss your design with others and develop concepts]
    C --> D[DESIGN DEVELOPMENT  
Use information gathered to resolve all the complexities before actual execution]
    D --> E[EXECUTE  
Start building once everything is in place with room to adapt on the fly]
          
```
