It's time to come to school on June 7th 2023. (Wednesday)

Holiday Fun Activities to improve fine motor skills:

- Take a colourful picture (Scenary/poster/A4) of A4 size. Draw vertical lines of equal space and number them sequentially. Now cut them along the vertical lines. Give it to your child to arrange it in sequence. (Have fun by making as many puzzle as you can without numbering.)

Happy holidays!!
