Dear Parent,

" THE FUTURE BELONGS TO THOSE WHO LEARN MORE SKILLS AND COMBINE THEM IN CREATIVE WAYS." - ROBERT GREEN

The world around us is changing rapidly; hence it is important to develop a link between education and the real world. With an aim to equip the students with the relevant employability and entrepreneurial skills, as per recommendations of NEP 2020, CBSE (Central Board of Secondary Education) has adopted National Curriculum Framework (NCF) for Foundational Stage - 2022 and the new structure of five-year education at Foundation Stage (From Class Nursery, LKG, UKG, I & II) will be introduced from this academic year 2023-2024. Schools offering Foundational and Preparatory Stage are advised to adhere to the recommendations regarding Curriculum, Pedagogy and Assessment described in NCFFS-2022 strictly.

### Highlights of NCFFS-2022
